

CEU Verification Form for Music Lessons

Each 1 hour lesson will be worth 0.5 CEUs for a total of 6 maximum allowable CEU's in a 2 year period. It is understood that these lessons will enhance the practice of a CTHP who is already certified. The CTHP mentor and student will set goals at the beginning of the lessons and agree to work on areas during these lessons which will further the work of the CTHP at the bedside. If the strength is in music reading, then time will be devoted to improvisation and if the strength is in improvisation, then the time will be devoted to note-reading and repertoire.

This form is to be used as the lessons progress, describing the areas that were worked on throughout the lessons that directly apply to IHTP CEUs. Please check off the category worked on for a given lesson with the date of the lesson and initials of the CTHP mentor and student. Please include the duration of the lesson on this form. Before handing this form in for IHTP review, please add up the total CEUs and add that to the bottom of this form. A Certificate of Completion for Music Lessons form for purposes of annual CEU credits within a health care facility is available on the IHTP website and must be signed by the music teacher. Please include a copy of the Certificate of Completion form along with this CEU Verification Form for Music Lessons to IHTP when sending in all 20 completed CEUs for the two year period.

Choose the categories that the student would like to focus on throughout the lessons. Any and all categories will apply.

1. New repertoire that is appropriate for the practice of the CTHP and such repertoire will fit into one of the 4 categories for bedside work.

Children and Elderly Patients - familiar music - the 11 categories:

Date of lesson: Teacher initials: Student initials: Lesson duration:
